📄 Assignment: Build Sales Conversational Bot (Mierae Solar)

Objective:
Create a multilingual (Hindi / Telugu / Odia) AI chatbot that converts users into solar leads.

🎯 Requirements:

1. Build chatbot using any tool:
   - Chatbase / Botpress / Flowise / OpenAI
2. Bot should:
   - Explain solar benefits
   - Explain govt subsidy
   - Ask qualifying questions
   - Handle objections
   - Close for site visit
3. Must support:
   - Hindi OR Telugu OR Odia (bonus for all 3)
4. Share:
   - 🔗 Live bot URL
   - 📊 Dataset used
   - 🎥 2–3 min demo video

🧠 Evaluation Criteria:

- Sales conversation quality (40%)
- Language fluency (20%)
- Lead conversion flow (20%)
- Creativity (10%)
- Tech implementation (10%)

📊 3. BIG SALES DATASET (FOR BOT TRAINING)

This is your **core advantage** 🔥
Use this as base training data.

🧾 A. Core Knowledge (VERY IMPORTANT)

- PM Surya Ghar Yojana gives:
    - Up to **40% subsidy**
    - Up to **₹78,000 subsidy**
    - **300 units free electricity/month**
- 1 crore homes target
- Loan available at ~6.75% interest

🗣️ B. SALES CONVERSATION FLOW DATASET

1. Greeting

Hindi:

- नमस्ते! क्या आप बिजली बिल कम करना चाहते हैं?

Telugu:

- నమస్తే! మీ కరెంట్ బిల్ తగ్గించుకోవాలనుకుంటున్నారా?

Odia:

- ନମସ୍କାର! ଆପଣ ବିଦ୍ୟୁତ ବିଲ୍ କମାଇବାକୁ ଚାହୁଁଛନ୍ତି କି?

---

2. Qualification Questions

- आपका monthly बिजली बिल कितना आता है?
- क्या आपका खुद का घर है?
- छत खाली है क्या?
- किस शहर से हैं?

---

3. Value Pitch

Hindi:

- सरकार अभी 40% तक subsidy दे रही है
- 25 साल तक बिजली फ्री जैसी हो जाती है
- 3kW सिस्टम में आपका बिल almost zero

Telugu:

- ప్రభుత్వం 40% వరకు subsidy ఇస్తోంది
- 25 సంవత్సరాలు almost free electricity
- 3kW system తో మీ bill almost zero

---

4. Objection Handling

Too costly:

- EMI option available (₹2k–₹3k/month)

Not sure:

- Free site visit, no commitment

No time:

- पूरा process हम manage करेंगे

---

5. Closing

- क्या मैं आपके लिए free site visit book कर दूं?
- आपका number share कर सकते हैं?

🧠 C. ADVANCED SALES DATASET (HIGH-CONVERTING)

Pain-based hooks:

- "हर महीने ₹2000–₹5000 बिजली में जा रहे हैं"
- "5 साल में पूरा पैसा recover"

Urgency:

- "Subsidy limited है"
- "Government scheme अभी चल रही है"

🔥 D. LEAD CAPTURE FORMAT

Bot should collect:

```
Name:
Phone:
City:
Electricity bill:
House type:
Interested: Yes/No
```

🚀 PRO TIP (IMPORTANT)

👉 Don’t build chatbot
👉 Build **SALES MACHINE**
